Are you retired and looking for a paid employment opportunity? If so, you may be eligible to work casual relief or temporary status without impacting your pensionable earnings during the Provincial State of Emergency. If you have questions regarding any pension impacts, you can contact Compensation & Benefits as noted below.

Retirees in the Nova Scotia Health Employees' Pension Plan (NSHEPP) can return to work in a casual or temporary status working in a position that is COVID-19 related and would not have to re-enroll in pension. This exemption will end 30 days after the end of the State of Emergency.

Retirees receiving the Nova Scotia Public Service Superannuation Plan (NSPSSP) pension who may be concerned about the impact to their pension while working in a COVID-19 related position can contact Compensation & Benefits at one of the numbers below:

Central Zone retirees in NSPSSP can contact 902-473-5757, option 3, and option 3 again to discuss possible impacts.

Western, Northern, and Eastern Zone retirees in NSPSSP can contact 902-365-1701, extension 3778 to discuss possible impacts.

If you have additional questions about paid employment opportunities, please email Recruitment.Services-NSHA@nshealth.ca.
